## Michael Angelo Masterpiece Haircare Inner Fuel Review

Inner Fuel is a revolutionary leave in conditioner that increases flexibility & decreases damage during styling with hot tools. It also detangles while it strengthens and smoothes hair. Yup, it creates shine without creating weight.

Inner Fuel is five products in one!

- Detangler
- Leave-in conditioner
- Strengtheners
- Heat protectant
- UV protectant

This summer you'll only need one product in your weekend tote! Inner Fuel by Michael Angelo Masterpiece Haircare. After shampooing and conditioning your hair with the recommended Michael Angelo Masterpiece Haircare products, apply Inner Fuel to your entire towel dried head.

This lightweight formula acts as a leave in treatment that's a fabulous rejuvenator if you have color treated or chemically treated hair. This unique multi-purpose product contains natural extracts, moisturizers and proteins including Aloe Vera, Green Tea and Horsetail that work together to nourish and strengthen your hair. The Natural Aloe Vera helps smooth your hair and soothe your scalp helping with instant detangling while the Horsetail extract fortifies the hair with strength and shine leaving your hair silky without added weight.

Lastly, the Green Tea Extract helps protect your hair from the heat of hairstyling tools such as flat irons, curling irons and blow dryers. The special UV filters and botanical conditioners will protect your hair against haircolor robbing ultraviolet rays and environmental damage.

Michael Angelo Masterpiece Haircare is sold exclusively through professional salons and day spas, which guarantees you the highest quality available today. Developed by Master Haircolorist and platform artist, Michael Angelo Rizzi of Tampa Bay, Florida, this remains one of the key products in this new professional Michael Angelo Masterpiece Haircare System.

Inner Fuel works great with any shampoo really! I don't have access to their whole line of products so I'm just using Inner Fuel. It really works to beautify, protect, smooth and detangle my hair! It's the perfect product to bring on vacation! Ya only have to haul one bottle!

Not only that, but Inner Fuel is great for everyone in the whole family from little girls, to big girls to the guys as well! Detangles those knotty knots the little ones tend to wake up with! Great for the teens who are always flat ironing their hair, Perfect for mom's who color their hair and Guys will love it as well! This is super cost effective. Why spend tons of money on lotsa products when Inner Fuel is Five-in-One?!
